26 Feb 2022 (JHB Botanical Gardens)

Training Session 2

TOPIC: Starting and Completing a Project

12 March 2022 (Greenside High School)

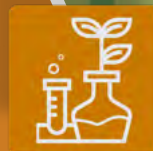

2 District Expos

NORTHERN SUBURB EXPO
23 April 2022 (St Stithians College)

JHB INNER CITY EXPO 21 May 2022
(Jeppe Boys High School)

Recommended for first time participating schools and schools who have not participated in Expo for at least 3 years

Eskom Expo is a science fair for school learners where you have an opportunity to exhibit your own scientific investigations and engineering projects

Learners from grade 4 - 12 are encouraged to conduct research in a field of Science in which they are passionate about and then enter their research project in our district, regional or International science fair.

JOHANNESBURG CENTRAL REGIONAL EXPO 23 JULY 2022

#DiscoverEskomExpo - Registration to take part in Eskom Expo for Young Scientists is open!
Learners in grades 4 to 12 and teachers must register here: <https://t.co/hcLJ2aybgl> For
